Resolution 17-39

I support keeping Thomas Square as the beautiful, gracious park it is now. Please don't turn it into a formal platform for a statue and entertainment center. The park planners have gone far afield of refurbishing the park. Parks are meant for enjoyment by the people. It's not really big enough to host concerts and such. It's beautifully situated for quiet pleasure by individuals and families in an otherwise busy area of the City. Please don't turn it over to Enterprise Services as a commercial enterprise.
